About Us

STEON India Private Limited, headquartered in Bangalore, India's vibrant manufacturing and technology hub, STEON is a trusted name in the design and manufacturing of lubrication systems, hydraulic cylinders, fittings, and accessories. With a strong emphasis on innovation, quality, and reliability, we serve a broad spectrum of industries including **automotive, machinery, construction equipment, mining, earthmoving, steel, metal processing, metro, and railways**

Our Core Offerings

- **Lubrication Systems**
- **Hydraulic Cylinders**
- **Fittings & Accessories**

Mission and Vision

➔ Mission

To engineer efficient, durable, and high-performance systems through unmatched technical excellence, customer collaboration, and a commitment to continuous improvement.

➔ Vision

To be a global leader in providing world-class hydraulic and lubrication solutions, driving industrial growth through innovation and sustainability

We Offer..

Lubrication Systems

Centralized and automatic lubrication systems designed for high-performance across multiple sectors such as mining, earthmoving, automotive, steel, metal, metro, and railways. Our solutions ensure optimal machine uptime and extended equipment life.

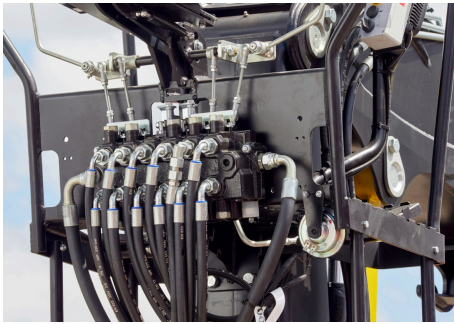

Grease Lubrication

Oil Lubrication

Air-Oil Lubrication

Hydraulics

Precision-engineered, custom-built cylinders designed to withstand high pressures and meet stringent industry demands

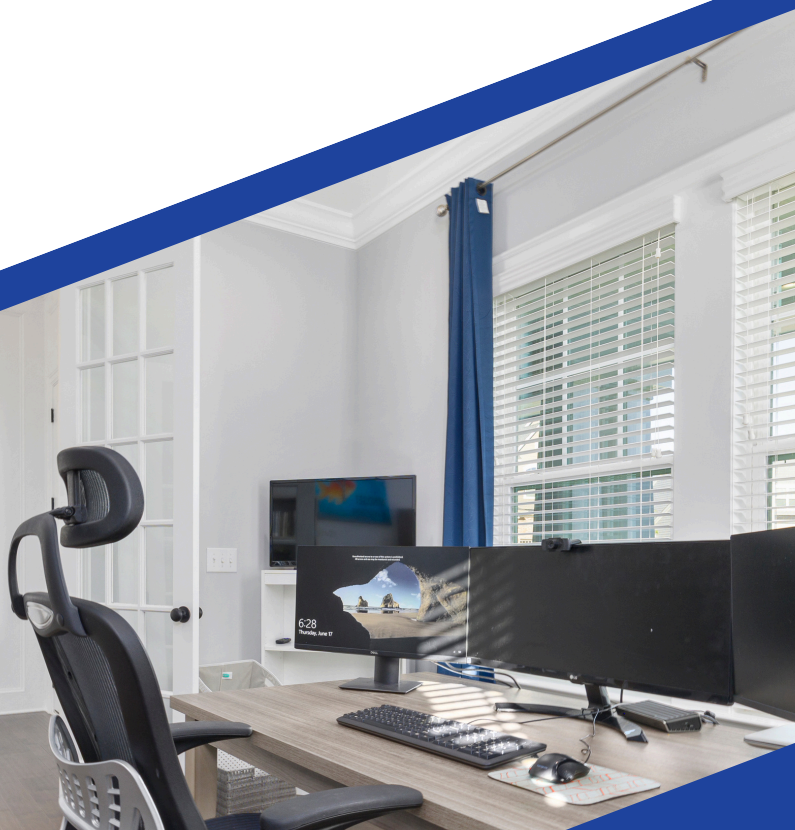

Powerpacks

Cylinder

Fittings, Spares & Services

Focus Segments

Mining

Cement

Construction

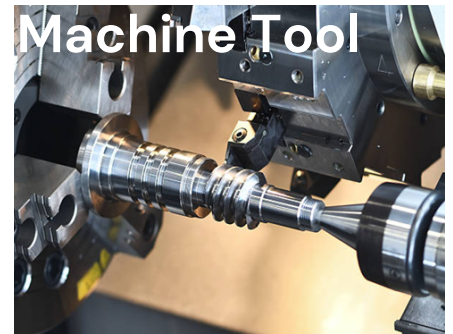

Metal

Railways

Machine Tool

Automotive

Pulp & Paper

Food & Beverages

Agriculture

Certification

Certificate of Registration

This is to certify that the Management System of
STEON INDIA PRIVATE LIMITED

1st Floor, 3B, Site No.23, Prima Tools Building, 2nd Phase, Peenya Industrial Area, Kiadb Main Road,
Opposite To Thrimurthu CNC Machining, Peenya, Bengaluru Urban, Karnataka- 560058, India.

has been audited by ICV and found to be
in compliance with the requirements of the standard

ISO 9001:2015
(Quality Management Systems)

This certificate is valid for
the following scope:

Design, Manufacture, Supply, Installation, Commissioning and Service of
Hydraulic Systems, Lubrication Systems, Manufacturing and Supply of Plastic
Moulded Parts, Castings, Extrusions, Machined Parts, ESD Control Products &
Providing Engineering Solutions.

Certificate No	: IN/36518428/4157
Initial Registration Date	: 29/05/2025
Certificate Issue Date	: 29/05/2025
Certification Expiry/Re Certification Date	: 28/05/2028
